

**In regards to Docket ID No. EPA-R03-OW-2010-0736, I oppose implementing the proposed Chesapeake Bay TMDL limits because...**

- **NY already has the cleanest water in the watershed and effective pollution control programs.**
- **The proposed additional limitations will be an unfair burden on NY agriculture, municipal services, taxpayers, businesses, and residents.**
- **The EPA model is flawed, not proven, and not suitable for being the basis for the proposed limitations.**
- **Most specifically, the EPA should incorporate the model revisions recommended by the DEC in their Watershed Implementation Plan.**

Sincerely,

Albert E. Cross Jr.
